

## Thermal Covers

MODEL	DESCRIPTION
iSMA-B-TC-7S	Plastic covers for iSMA-B-FCU, iSMA-B-2D1B, iSMA-B-2D

### APPLICATION AND USE

TC-7S is a set of plastic terminal covers for:

- FCU,
- 2D1B,
- 2D.

It is recommended for controllers powered with 230 V AC. Easy to mount, ideally fitted for the controller, these covers will prevent short-circuiting or accidental contact which may cause electric shock or device damage.

### FEATURES

- One click assembling
- Light and solid
- Protection of all terminals
- Provided space for wires
- Disassembling with standard flat head (slotted) 3 mm screw-driver
- Made from self-extinguishing plastic (PC/ABS)
- Dimensions 123.00x45.00x32.00 mm (4.84x1.77x1.23 in)
